

## Bible Study Extension Program

In order to let more brothers and sisters have the chance to learn Bible, Phnom Penh Bible School (PPBS) launches Bible Study Extension Program. In this program, teachers go to teach at the places where are convenient to the church members, according to the invitation of the church members. This program focuses on teaching Words of God and equipping brothers and sisters with the skill of studying Bible. This program has been launched in Mean Chey District, Phnom Penh since Dec 2005 and we are looking forward to carry out this program in different districts and provinces later.

## Course Design

For each course, there are 8 lessons in total and 1 extra lesson for Q&A and examination. Each lesson is held for 2 hours.

Please be noted that this program is not equivalent to programs that are held inside PPBS campus.

## Course Requirements

For students who want to obtain certificate, they should attend at least 6 lessons for individual courses and complete all the course requirements. Usually, the course requirements are assignment for every lesson and a final examination.

## Registration and Fee

All the students have to register for study.

For students who want to obtain a certificate should register for the certificate program also. For registration, please fill in the form for course registration which can be obtained from course teacher.

Course fee varied depending on the place of teaching. If you need more information on course fee, please feel free to contact us.

## Place of Study

All courses could be taught at the places where are convenient to the church members, according to the invitation of the church members. For more information on place of study, please feel free to contact us.

## Other Course Arrangements

Other than these certificate programs, Extension Education Department of PPBS arranges different courses for studying Bible also, in order to fit the needs of church members in different areas. Should you need further information, please feel free to contact us.
